IIDA ANNOUNCES THE WINNERS OF THE 6TH ANNUAL HEALTHCARE INTERIOR DESIGN COMPETITION

Chicago — The International Interior Design Association (IIDA) is proud to announce the winners of the 2017 Healthcare Interior Design Competition. This competition honors and celebrates outstanding originality and excellence in the design and furnishings of healthcare interior spaces.

“Commercial interior designers play a critical role in the healthcare industry, providing evidence-based solutions that contribute to positive patient outcomes and the well-being of caregivers and healthcare employees,” said **IIDA Executive Vice President and CEO Cheryl S. Durst, Hon. FIIDA, LEED AP**. “This year’s winners exemplify exceptional healthcare design that puts patients and their caregivers at ease while creating positive, healing environments.”

The jury panel reviewing this year’s competition included **Carol Doering, IIDA, AAHID, CID, LEED AP**, healthcare lead, IA Interior Architects; **Lisa Herriott, IIDA, LEED AP ID+C**, interior designer, project manager, UW Medicine | Harborview Medical Center; and **Tiana Lemons, IIDA, NCIDQ, EDAC**, healthcare studio leader, orcutt | winslow.

The jury was impressed by the caliber of submissions to this year’s competition. “In healthcare facilities, offering a welcoming, yet professional environment requires a balance of design elements. The winning entries all showcased inviting, warm spaces designed to evoke feelings of calm and comfort,” said Doering.
